

### **Opening 2020:**

We are getting closer to opening our 2020 golf season, but when we do, things are going to look, feel and run a little differently than we all thought.

Before you book your tee time with us, there are some things you need to be made aware of:

- We will only take web or phone bookings, no walk-ins will be accepted
- If you arrive without a tee time, call us from your car and we'll try to get you booked
- Payment will have to be made by credit or debit card as we will not accept cash
- Arrive no earlier than 15 minutes prior to your tee time
- If you need to ride, we will have golf carts available which will be sanitized between uses
- Carts will be rented as single rider carts and will be subject to a small upcharge
- Customers who reside in the same household/family can ride together
- Due to these new restrictions, we cannot guarantee the availability of power carts
- There will be no ball washers, no rakes, no benches on course
- Garbage bins will be limited so we ask that you take your garbage with you
- Flagsticks are not to be touched or removed
- Limited access to washrooms in clubhouse, while there will be no access to on course washrooms
- All clubhouse food and beverage purchases will be for takeout / on course only
- Beverage cart will be available – please respect the social distancing with our staff
- No seating in clubhouse or patio
- Please follow all public health guidelines including social distancing
- Follow all signage and ground / floor markings
- Please bring your own hand sanitizer for personal use

While we are excited to welcome our loyal customers back we must keep each other's health and safety at the forefront of every decision we make. Please respect all staff members as we are all in this together.
